## **Item 4: Advisory Business**

### **A. Description of the Advisory Firm**

The Stewardship Solution, LLC (hereinafter "TSSL") is a Limited Liability Company organized in the State of California. The firm was formed in November 2015, and the principal owner is Derrik Jacob Hubbard.

### **B. Types of Advisory Services**

#### *Selection of Other Advisers*

TSSL may direct clients to third-party investment advisers to manage all or a portion of the client's assets. Before selecting other advisers for clients, TSSL will always ensure those other advisers are properly licensed or registered as an investment adviser. TSSL conducts due diligence on any third-party investment adviser, which may involve one or more of the following: phone calls, meetings and review of the third-party adviser's performance and investment strategy. TSSL then makes investments with a third-party investment adviser by referring the client to the third-party adviser. TSSL will review the ongoing performance of the third-party adviser as a portion of the client's portfolio.

#### *Financial Planning*

Financial plans and financial planning may include, but are not limited to: investment planning; life insurance; tax concerns; retirement planning; college planning; and debt/credit planning.

In offering financial planning, a conflict exists between the interests of the investment adviser and the interests of the client. The client is under no obligation to act upon the investment adviser's recommendation, and, if the client elects to act on any of the recommendations, the client is under no obligation to effect the transaction through the investment adviser. This statement is required by California Code of Regulations, 10 CCR Section 260.235.2.

### **C. Client Tailored Services and Client Imposed Restrictions**

TSSL will tailor a program for each individual client. This will include an interview session to get to know the client's specific needs and requirements as well as a plan that will be executed by TSSL on behalf of the client. Clients may impose restrictions in investing in certain securities or types of securities in accordance with their values or beliefs. However, if the restrictions prevent TSSL from properly servicing the client account, or if the restrictions would require TSSL to deviate from its standard suite of services, TSSL reserves the right to end the relationship.

## D. Wrap Fee Programs

A wrap fee program is an investment program where the investor pays one stated fee that includes management fees, transaction costs, fund expenses, and other administrative fees. TSSL does not participate in any wrap fee programs.

## E. Assets Under Management

TSSL has the following assets under management:

Discretionary Amounts:	Non-discretionary Amounts:	Date Calculated:
\$0	\$8,000,000	March 2017

# Item 5: Fees and Compensation

Lower fees for comparable services may be available from other sources.

## A. Fee Schedule

### *Selection of Other Advisers Fees*

TSSL will be compensated via a negotiable fee share from the advisers to which it directs those clients. This relationship will be memorialized in each contract between TSSL and each third-party adviser. The fees shared will not exceed any limit imposed by any regulatory agency.

Total Assets Under Management	TSSL's Fee	Third Party's Fee	Total Fee
All Assets	1.00%	1.00%	2.00%

TSSL uses the value of the account as of the last business day of the prior billing period, after taking into account deposits and withdrawals, for purposes of determining the market value of the assets upon which the advisory fee is based.

The fees above are the maximum fees that will be charged. The actual charge will be in the Investment Advisory Agreement. If TSSL enters in to a Solicitors Agreement with another Registered Investment Adviser, the fee split between TSSL and the other Advisor will be disclosed in the Solicitor's Disclosure Document.

### *Financial Planning Fees*

**Fixed Fees:** The negotiated fixed rate for creating client financial plans is between \$500 and \$3,000.

**Hourly Fees:** The hourly fee for these services is between \$150 and \$200.

Clients may terminate the agreement without penalty for a full refund of TSSL's fees within five business days of signing the Financial Planning Agreement. Thereafter, clients may terminate the Financial Planning Agreement generally upon written notice.

## **B. Payment of Fees**

### ***Payment of Selection of Other Advisers Fees***

Fees are paid quarterly in advance by clients. Fees for selection of all third-party advisers are withdrawn directly from the client's account by the third-party adviser or its custodian, rather than by TSSL. TSSL is then paid its share of the fee split.

### ***Payment of Financial Planning Fees***

Financial planning fees are paid via check or wire, 50% in advance, but never more than six months in advance, with the remainder due upon presentation of the plan.

## **C. Client Responsibility For Third Party Fees**

Clients are responsible for the payment of all third party fees (i.e. custodian fees, brokerage fees, mutual fund fees, transaction fees, etc.). Those fees are separate and distinct from the fees and expenses charged by TSSL. Please see Item 12 of this brochure regarding broker-dealer/custodian.

## **D. Prepayment of Fees**

TSSL collects fees in advance. Refunds for fees paid in advance will be returned within fourteen days to the client via check, or return deposit back into the client's account.

For all asset-based fees paid in advance, the fee refunded will be equal to the balance of the fees collected in advance minus the daily rate\* times the number of days elapsed in the billing period up to and including the day of termination. (\*The daily rate is calculated by dividing the annual asset-based fee rate by 365.)

Fixed fees that are collected in advance will be refunded based on the prorated amount of work completed at the point of termination.

For hourly fees that are collected in advance, the fee refunded will be the balance of the fees collected in advance minus the hourly rate times the number of hours of work that has been completed up to and including the day of termination.

## **E. Outside Compensation For the Sale of Securities to Clients**

Derrick Jacob Hubbard does not receive any outside compensation for the sale of securities.

Clients always have the option to purchase TSSL recommended products through other brokers or agents that are not affiliated with TSSL.

## **Item 6: Performance-Based Fees and Side-By-Side Management**

TSSL does not accept performance-based fees or other fees based on a share of capital gains on or capital appreciation of the assets of a client.

## **Item 7: Types of Clients**

TSSL generally provides advisory services to the following types of clients:

- ❖ Individuals
- ❖ High-Net-Worth Individuals

There is no account minimum for any of TSSL's services and the third-party advisers do not impose account minimums in connection with TSSL's services.

## **Item 8: Methods of Analysis, Investment Strategies, & Risk of Loss**

### **A. Methods of Analysis and Investment Strategies**

#### ***Methods of Analysis & Investment Strategies***

TSSL does not manage client assets and therefore, does not have any specific methods of analysis or investment strategies.

**Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.**

### **B. Material Risks Involved**

#### ***Methods of Analysis & Investment Strategies***

**Selection of Other Advisers:** Although TSSL will seek to select only money managers who will invest clients' assets with the highest level of integrity, TSSL's selection process cannot ensure that money managers will perform as desired and TSSL will have no control over the day-to-day operations of any of its selected money managers. TSSL would

not necessarily be aware of certain activities at the underlying money manager level, including without limitation a money manager's engaging in unreported risks, investment "style drift" or even regulatory breaches or fraud.

**Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.**

### **C. Risks of Specific Securities Utilized**

Clients should be aware that there is a material risk of loss using any investment strategy. The investment types listed below are not guaranteed or insured by the FDIC or any other government agency.

**Past performance is not indicative of future results. Investing in securities involves a risk of loss that you, as a client, should be prepared to bear.**

## **Item 9: Disciplinary Information**

### **A. Criminal or Civil Actions**

There are no criminal or civil actions to report.

### **B. Administrative Proceedings**

There are no administrative proceedings to report.

### **C. Self-regulatory Organization (SRO) Proceedings**

There are no self-regulatory organization proceedings to report.

## **Item 10: Other Financial Industry Activities and Affiliations**

### **A. Registration as a Broker/Dealer or Broker/Dealer Representative**

Derrick Jacob Hubbard is not registered as a broker/dealer or broker/dealer representative.

**B. Registration as a Futures Commission Merchant, Commodity Pool Operator, or a Commodity Trading Advisor**

Neither TSSL nor its representatives are registered as or have pending applications to become either a Futures Commission Merchant, Commodity Pool Operator, or Commodity Trading Advisor or an associated person of the foregoing entities.

**C. Registration Relationships Material to this Advisory Business and Possible Conflicts of Interests**

Derrick Jacob Hubbard is an independent licensed insurance agent.

Derrick Jacob Hubbard is Owner of Santa Clarita Financial Education Services, an organization that provides no cost education courses at the community college level on retirement planning and social security maximization.

From time to time, he may offer clients advice or products from those activities and clients should be aware that these services may involve a conflict of interest. TSSL always acts in the best interest of the client and clients are in no way required to the services of any representative of TSSL in connection with such individual's activities outside of TSSL.

All material conflicts of interest under California Code of Regulations Section 260.238(k) are disclosed regarding the investment adviser, its representatives or any of its employees, which could be reasonable expected to impair the rendering of unbiased and objective advice.

**D. Selection of Other Advisers or Managers and How This Adviser is Compensated for Those Selections**

TSSL may direct clients to third-party investment advisers to manage all or a portion of the client's assets. TSSL will be compensated via a fee share from the advisers to which it directs those clients. This relationship will be memorialized in each contract between TSSL and each third-party advisor. The fees shared will not exceed any limit imposed by any regulatory agency. This creates a conflict of interest in that TSSL has an incentive to direct clients to the third-party investment advisers that provide TSSL with a larger fee split. TSSL will always act in the best interests of the client, including when determining which third-party investment adviser to recommend to clients. TSSL will ensure that all recommended advisers are licensed or notice filed in the states in which TSSL is recommending them to clients.

## **Item 11: Code of Ethics, Participation or Interest in Client Transactions and Personal Trading**

### **A. Code of Ethics**

TSSL has a written Code of Ethics that covers the following areas: Prohibited Purchases and Sales, Insider Trading, Personal Securities Transactions, Exempted Transactions, Prohibited Activities, Conflicts of Interest, Gifts and Entertainment, Confidentiality, Service on a Board of Directors, Compliance Procedures, Compliance with Laws and Regulations, Procedures and Reporting, Certification of Compliance, Reporting Violations, Compliance Officer Duties, Training and Education, Recordkeeping, Annual Review, and Sanctions. TSSL's Code of Ethics is available free upon request to any client or prospective client.

### **B. Recommendations Involving Material Financial Interests**

TSSL does not recommend that clients buy or sell any security in which a related person to TSSL or TSSL has a material financial interest.

### **C. Investing Personal Money in the Same Securities as Clients**

From time to time, representatives of TSSL may buy or sell securities for themselves that they also recommend to clients. This may provide an opportunity for representatives of TSSL to buy or sell the same securities before or after recommending the same securities to clients resulting in representatives profiting off the recommendations they provide to clients. Such transactions may create a conflict of interest. TSSL will always document any transactions that could be construed as conflicts of interest and will never engage in trading that operates to the client's disadvantage when similar securities are being bought or sold.

### **D. Trading Securities At/Around the Same Time as Clients' Securities**

From time to time, representatives of TSSL may buy or sell securities for themselves at or around the same time as clients. This may provide an opportunity for representatives of TSSL to buy or sell securities before or after recommending securities to clients resulting in representatives profiting off the recommendations they provide to clients. Such transactions may create a conflict of interest; however, TSSL will never engage in trading that operates to the client's disadvantage if representatives of TSSL buy or sell securities at or around the same time as clients.

## Item 12: Brokerage Practices

### A. Factors Used to Select Custodians and/or Broker/Dealers

TSSL does not recommend brokers/custodians.

#### 1. *Research and Other Soft Dollar Benefits*

TSSL does not trade client's accounts and therefore receives no research, product, or services from a broker-dealer ("soft dollar benefits").

#### 2. *Brokerage for Client Referrals*

## **B. Factors That Will Trigger a Non-Periodic Review of Client Accounts**

Reviews may be triggered by material market, economic or political events, or by changes in client's financial situations (such as retirement, termination of employment, physical move, or inheritance).

With respect to financial plans, TSSL's services will generally conclude upon delivery of the financial plan.

## **C. Content and Frequency of Regular Reports Provided to Clients**
